Dear Parents and Carers,

I am delighted to be writing my first letter as the new Headteacher of Dartford Bridge Community Primary School. I feel very privileged to have been appointed to this role and to have the opportunity to build on the success that the school has already achieved under the leadership of Mrs Smith.

I have over 16 years of experience working in schools across London and Essex and have had the privilege of teaching children from a wide range of backgrounds and cultures. I began my career as a newly qualified teacher in Barking and Dagenham and progressed through a variety of leadership roles before becoming a Headteacher. Having previously led two schools as Headteacher, I am thrilled to be joining the Dartford Bridge community. I look forward to bringing my experience to the school while working alongside our wonderful children, families and staff to ensure every child achieves their very best.

Our vision, **"Growing together to be the best we can be,"** resonates deeply with me. From my very first visit to the school last academic year, I was struck by the warmth, commitment and pride shown by the entire school community. It was clear that everyone shares a common goal: wanting the very best for the children. Dartford Bridge is truly a unique and special place, and I feel incredibly fortunate to be part of it.

I strongly believe in providing children with exciting, creative and meaningful learning experiences that inspire a love of learning, encourage curiosity and help every child achieve their full potential. As Headteacher, I am committed to ensuring that every child feels happy, safe, valued and challenged to succeed. I will work tirelessly with staff, trustees and families to ensure that Dartford Bridge continues to flourish and provides the very best opportunities for all children.

It has been wonderful to begin meeting so many of the children this week as I have visited classrooms and spent time on the playground getting to know them. I have also enjoyed greeting parents and carers at the school gates and am grateful for the warm welcome I have received.

As Headteacher, I would like to reassure you that I am fully committed to providing the very best education for your child throughout their time at Dartford Bridge. I will always strive to lead with fairness, openness and honesty and to involve parents and carers as much as possible in the life of the school. I firmly believe that strong

partnerships between home and school are essential in helping children flourish, and I look forward to working closely with you in the years ahead.

I will be hosting a **'Meet the Headteacher'** session on **Friday 11 September from 9:00am to 9.45am** in the school hall. Please do come along if you are able to. It will be a wonderful opportunity for me to meet more families, hear what you love about our school and listen to any ideas you may have for its future development. Refreshments will be provided, and I look forward to seeing many of you there.

Thank you for your continued support. I am excited for the journey ahead and look forward to getting to know our wonderful school community.

Yours sincerely,

Mrs. R. Anthony
